

City-based jobs recap

Think back to the last lesson and complete each question for one of the roles below.

- Identify a key task of the job
- Identify a skill required for the job
- Write a short description of the job (no more than two sentences)

Stretch

Can you think of any other City-based jobs?

What are the key tasks the job might involve? What skills might be required?

	Tasks	Skills	Description
Accountant			
Actuary			
Auditor			
Business development manager			
Investment analyst			
Loss adjuster			
Management consultant
